TABLE OF CONTENTS

SECTION 1 – DEFINITIONS

Terms with capital letters appearing in this Contract have the same meaning given to them in the attached EOC. In addition, the following terms have these meanings:

1.01 **Contract -** this agreement between Delta Dental and Contractholder including the EOC and any Attachments. This Contract constitutes the entire agreement between the parties.

1.02 **Contract Term -** the period during which this Contract is in effect as provided on the *Group Information* Attachment.

1.03 **Eligibility Date -** the date upon which an Enrollee's eligibility for Benefits becomes effective under this Contract.

1.04 **Premium -** the amounts payable as provided on the *Group Information* Attachment.

SECTION 2 - DUTIES OF DELTA DENTAL

2.01 We will provide the Benefits in the Schedules attached to the EOC, subject to the limitations and exclusions in the Schedules also attached to the EOC. Benefits are available to each Enrollee on the Eligibility Date.

A Benefit appropriately provided through Teledentistry is covered on the same basis and to the same extent that the Benefit is covered through in-person diagnosis, consultation or treatment. The fee for Teledentistry services is considered inclusive in overall patient management and is not a separately payable service.

2.02 We will provide Enrollees with Contract Dentists at convenient locations during the Contract Term within the Delta Dental Service Area in the state of California. Upon enrollment, We will assign the Enrollee to a Contract Dentist facility. The Enrollee may change their assigned Contract Dentist facility by calling Customer Care at 888-282-8528. A list of Contract Dentists is available to all Enrollees at deltadentalins.com. When searching online for a Contract Dentist, select the DeltaCare USA Network for the list of Contract Dentists applicable to this Plan. The change must be requested prior to the 15th of the month to become effective on the first day of the following month.

2.03 We will pay claims, less any applicable Copayment(s), for all Specialist Services referred by a Contract Dentist and with written prior Authorization by Us as described in the attached EOC.

2.04 Upon termination of a Contract Dentist's agreement, We will be liable for Benefits for the completion of treatment for Single Procedures begun prior to the termination of the agreement. The terminating Contract Dentist will complete: 1) a partial or full denture for which final impressions have been taken; and 2) all work on every tooth upon which work has started (such as completion of root canals in progress and delivery of crowns when teeth have been prepared).

If, for any reason, the Contract Dentist is unable to complete treatment, We will make reasonable and appropriate provisions for the completion of such treatment by another Contract Dentist.

2.05 In the event of cancellation of enrollment by Us, We will return to Contractholder the pro rata portion of the Premiums paid to Us which corresponds to any unexpired period for which payment had been received, together with any amounts due on claims, if any, less any amounts owed to Us. This provision does not apply if the Enrollee engaged in fraud or deception in obtaining Benefits from Us or knowingly permitted such fraud or deception by another.

2.06 Our acceptance of the proper Premiums after termination of this Contract and without requiring a new application will reinstate this Contract as though it had never terminated, unless We, within 20 business days of receipt of such payment, either:

1) refuse the payment so made, or 2) issue to Contractholder a new Contract accompanied by written notice stating clearly those respects in which the new Contract differs from this terminated Contract in Benefits, coverage or otherwise.

SECTION 3 - DUTIES OF CONTRACTHOLDER

3.01 **Reporting and Monthly Premiums.** We will process eligibility and enrollment as reported by the Exchange. Contractholder is responsible for notifying the Exchange with additions, changes or terminations made during the prior month as required by the Exchange. An Enrollee remains enrolled until the Contractholder notifies the Exchange of the termination. If the Enrollee loses coverage or makes any change that affects eligibility, Contractholder must promptly notify the Exchange of such change.

We will not be responsible or liable for any incorrect, incomplete, obsolete or unreadable data or information supplied to Us including, but not limited to, eligibility and enrollment information.

We will not make any payment for services provided to an Enrollee who is not reported to Us as eligible under this Contract when the service is provided. Also, We may not pay Benefits for an Enrollee if Premiums are not paid for the month in which dental services are rendered except as stated in Section 3.05. We will not be obligated to recover claims paid to a Contract Dentist as a result of Contractholder's retroactive eligibility adjustments. The Contractholder agrees to reimburse Us for any erroneous claim payments made by Us as a result of incorrect eligibility reporting by the Contractholder to the Exchange.

3.02 Contractholder will permit Us to audit Contractholder's records to confirm compliance with Section 3 and the attached EOC. We will give Contractholder written notice within a reasonable time before the audit date.

3.03 Contractholder will remit to the Exchange or its third party administrator the Premium in the amount and manner shown on the *Group Information* Attachment.

3.04 If this Contract is terminated before the end of a Contract Term, Contractholder will pay additional charges in accordance with Section 5.

3.05 This Contract will not be in effect until We receive the first month's Premiums. Subsequent Premiums will be paid by the first day of each month. We, Our Administrator or other authorized representative will perform administrative functions necessary to ensure Premium information is maintained in its systems as outlined in the attached EOC and this section. We will administer the Grace Period, notices and grievances as outlined in the attached EOC. Should this Contract be terminated at the end of the Grace Period or for any other reason, Contractholder will promptly mail a legible, true copy of termination to each Enrollee. Contractholder will provide Us with proof of such mailing and the date thereof.

SECTION 4 - RELATIONSHIP OF THE PARTIES

4.01 **Independent Contractor.** We are an independent contractor with Contractholder.

4.02 **Indemnification.** Contractholder will indemnify, defend and hold harmless Delta Dental, its directors, officers, employees, agents and affiliated companies against any and all claims, demands, liabilities, costs, damages and causes of action or administrative proceedings whatsoever, including reasonable attorney's fees, arising from Contractholder's negligent performance or non-performance of its obligations under this Contract.

We will indemnify, defend and hold harmless the Contractholder, its directors, officers, employees, agents and affiliated companies against any and all claims, demands, liabilities, costs, damages and causes of action or administrative proceedings whatsoever, including reasonable attorney's fees, arising from Our negligent performance or non-performance of its obligations under this Contract.

4.03 **Impossibility of Performance.** Neither party (Contractholder or Delta Dental) will be liable to the other or be deemed to be in breach of this Contract for any failure or delay in performance arising out of causes beyond its reasonable control. Such causes are strictly limited to include acts of God or of a public enemy, explosion, fire or unusually severe weather. Dates and times of performance will be extended to the extent of the delays excused by this paragraph, provided that the party whose performance is affected notifies the other promptly of the existence and nature of the delay.

4.04 **Severability.** If any part of this Contract or an amendment of it is found by a court or other authority to be illegal, void or not enforceable, all other portions of this Contract will remain in full force and effect.

4.05 We may refuse, cancel or not renew an Enrollee's enrollment under this Contract if We demonstrate that the Enrollee committed fraud or an intentional misrepresentation of material fact in obtaining Benefits under this Contract.

An Enrollee or Contractholder that believes that coverage has been, or will be, improperly cancelled, rescinded or not renewed may request a review by the Director of the California Department of Managed Health Care ("DMHC") in accordance with Section 1365(b) of the California Health and Safety Code.

SECTION 5 - RENEWAL AND TERMINATION

5.01 The initial term of this Contract will be for the period set forth on the *Group Information* Attachment.

5.02 Contractholder will receive renewal information from the Exchange prior to any applicable Open Enrollment Period. Provided We continue to make this Plan available through the Exchange at the renewal period, Contractholder may elect to continue to offer coverage under this Contract to eligible Enrollees, subject to the applicable Premium available through the Exchange for this Contract at the time of renewal. Contractholder should refer to the Exchange rules regarding automatic renewal of coverage.

Provided that Contractholder continues to allow Primary Enrollees to elect coverage with Us through this Contract, and provided We continue to make this plan available through the Exchange, Primary Enrollees may not have to make an election through the Exchange in subsequent Open Enrollment Periods to continue coverage.

5.03 Should We be decertified by the Exchange, We must terminate coverage for Enrollees only after the Exchange has notified Enrollees of the decertification and the affected Enrollees have an opportunity to elect new coverage.

5.04 This Contract may be terminated only for the following causes:

- By either Contractholder or Us, at expiration of a Contract Term upon 60 days' written notice.
- By Us, if Premiums are not paid on or before the last day of the Grace Period. Refer to the "Cancellation of Enrollment Due to Non-Payment of Premium" provision in the attached EOC.

5.05 We will administer the Grace Period, notices and grievances as outlined in the attached EOC.

5.06 All Benefits will terminate for any Enrollee as of the date that this Contract is terminated, such person ceases to be eligible under the terms of this Contract, or such person's enrollment is canceled under this Contract. We will not be obligated to continue to provide Benefits to any such person in such event, except for completion of Single Procedures commenced while this Contract was in effect.

5.07 Cancellation of a Primary Enrollee's enrollment will automatically cancel the enrollment of any of their Dependent Enrollee(s). Any cancellation is subject to the

written notification requirements set forth in this Contract as well as California law. An Enrollee or Contractholder who believes that coverage has been or will be improperly cancelled, rescinded or not renewed has the right to submit a grievance at least 180 days from the date of the notice the Contractholder alleges to be improper to Us and/or the DMHC. We will provide the Enrollee or Contractholder and the DMHC with a disposition or pending status on the grievance within three (3) calendar days of Our receipt of the grievance.

For grievances submitted prior to the effective date of the cancellation, rescission or non-renewal, for reasons other than non-payment of Premium, We will continue to provide coverage while the grievance is pending with Us or with the DMHC. During the period of continued coverage, the Primary Enrollee is responsible for paying Premiums and any and all Copayments, coinsurance or deductible amounts as required under this Plan.

If Contractholder does not receive a response from Us within three (3) calendar days, or if Contractholder is not satisfied in any way with Our response, Contractholder may submit a grievance to the DMHC as detailed under Option 2 below.

The Contractholder or the Primary Enrollee, if the Primary Enrollee is responsible for paying the Premium, is responsible for the payment of any and all outstanding Premium payments accrued from the effective date of the cancellation, rescission or non-renewal before reinstatement. Any outstanding Premium must be paid prior to reinstatement.

ELIGIBILITY AND ENROLLMENT

The Exchange is responsible for establishing eligibility and reporting enrollment to Us based on information from the employer. We process enrollment as reported by the Exchange.

This EOC includes Pediatric Benefits and Adult Benefits. Enrollees are eligible for either Pediatric or Adult Benefits according to the requirements listed below:

Eligibility Requirements for Pediatric Benefits

Pediatric Enrollees eligible for Pediatric Benefits are:

- a Primary Enrollee to age 19; and/or
- a Primary Enrollee's Spouse under age 19 and dependent children from birth to age 19. Dependent children include natural children, stepchildren, adopted children, children placed for adoption and children of a Spouse.

Eligibility Requirements for Adult Benefits

Adult Enrollees eligible for Adult Benefits are:

- a Primary Enrollee 19 years of age and older; and/or
- a Primary Enrollee's Spouse age 19 and older and dependent children from age 19 to age 26. Dependent children include natural children, stepchildren, adopted children, children placed for adoption and children of a Spouse.

Dependent children 26 years of age and older may continue eligibility for Adult Benefits if:

(1) they are incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness or condition; and

(2) they are chiefly dependent on the Primary Enrollee and/or Spouse for support and maintenance.

(3) We will notify the Primary Enrollee at least 90 days prior to the date the dependent child attains the limiting age that their coverage will terminate unless We receive proof of the criteria described above within 60 days of the Primary Enrollee's receipt of Our notification. Such requests will not be made more than once a year following a 2-year period after this dependent child reaches the limiting age. Eligibility will continue as long as the dependent child relies on the Primary Enrollee and/or Spouse for support and maintenance because of a physically or mentally disabling injury illness or condition.

Enrollment

You may be required to contribute towards the cost of coverage for Yourself, Dependent Enrollees and Pediatric Enrollees. The Exchange is responsible for establishing an Enrollee's Effective Date for enrollment.

Eligible Employees may enroll for coverage during the Open Enrollment Period or due to a Qualifying Status Change. Dependents on active military duty are not eligible.

CANCELLATION OF COVERAGE BY YOU

You have the right to terminate coverage under this Plan by sending Us or the Exchange written notice of intent to terminate this Plan. The effective date of a requested termination will be at least 14 days from the date of Our receipt of the request for termination. We will notify the Contractholder of any requests for termination received from Primary Enrollees. If coverage is terminated because the Enrollee is covered by Medicaid, the last day of coverage with Us is the day before the new coverage is effective.

You lose eligibility when the Primary Enrollee is no longer reported as eligible by the Exchange or as eligible under the terms of the Contract. If termination is due to loss of eligibility through the Exchange, termination is effective the last day of the month following the month of termination. If termination is due to age, termination is effective the last day of the Calendar Year the Enrollee loses eligibility.

CANCELLATION, RESCISSION OR NON-RENEWAL OF COVERAGE BY US

Cancellation of Enrollment Due to Non-Payment of Premium

Grace Period

We may cancel the Contract after giving written notice to the Contractholder if Premiums, or a portion of Premiums, are not paid by the due date after being Billed for the Charge. We will provide a Notice of Start of Grace Period to the Contractholder stating a payment delinquency has triggered a Grace Period of 30 days starting the day the Notice of Start of Grace Period is dated. The Contractholder will promptly send or make available a copy of this notice to You. Your coverage will continue in effect during the Grace Period.

You are financially responsible for any and all Premiums, any Copayments, coinsurance or deductible amounts, including those incurred for services received during the Grace Period.

A Notice of End of Coverage will be provided to the Contractholder for all cancellations after the date coverage has ended, but no later than five (5) calendar days after the date coverage has ended that includes the following statement: "To learn about new coverage or whether your coverage can be reinstated, contact Delta Dental of California at deltadentalins.com." The Contractholder will promptly send or make available a copy of this notice to You. If You lose coverage, You may be financially responsible for the payment of claims incurred.

Cancellation of Enrollment Other Than Non-Payment of Premium

For cancellation, rescission and non-renewal of coverage other than for non-payment of Premium, We will provide the Contractholder with a Notice of Cancellation, Rescission or Nonrenewal. The Contractholder will promptly send or make available a copy of this notice You. A Notice of End of Coverage will be provided to the Contractholder for all cancellations after the date coverage has ended, but no later than five (5) calendar days after the date coverage has ended that includes:

- The following statement: "To learn about new coverage or whether your coverage can be reinstated, contact Delta Dental of California at deltadentalins.com."
- Notice as to the availability of the right to request completion of covered services.

If the Contract is terminated for any cause, We are not required to preauthorize services beyond the termination date or to pay for services provided after the termination date, except for services begun while the Contract was in effect or if You have a cancellation grievance pending for reasons other than non-payment of Premium submitted prior to the effective date of Your cancellation, rescission or non-renewal of coverage. Please refer to the provisions below regarding Your right to submit a grievance and continuation of Benefits.

We will provide You and the DMHC with a disposition or pending status on Your grievance within three (3) calendar days of Our receipt of Your grievance.

For grievances submitted prior to the effective date of the cancellation, rescission or non-renewal, for reasons other than non-payment of Premium, We will continue to provide coverage while the grievance is pending with Us or with the DMHC. During the period of continued coverage, You are responsible for paying Premiums and any and all Copayments, coinsurance or deductible amounts as required under Your coverage.

Reinstatement of Coverage

If You submit a grievance for the cancellation, rescission or non-renewal of coverage, including cancellation due to non-payment of Premium and it is determined that the cancellation, rescission or non-renewal is improper, Your coverage may be reinstated retroactive to the date of cancellation, rescission or non-renewal. The Contractholder or You, if You are responsible for paying Your Premium, may be responsible for the payment of any and all outstanding Premium amounts accrued from the effective date of the cancellation, rescission or non-renewal of coverage before reinstatement. Any outstanding Premium must be paid prior to reinstatement.

Strike, Lay-off and Leave of Absence

Enrollees will not be covered for any dental services received while the Eligible Employee is on strike, lay-off or leave of absence, other than as required under the Family & Medical Leave Act of 1993 or other applicable state or federal law*.

Coverage will resume after the Eligible Employee returns to work provided the Contractholder submits a request to the Exchange that coverage be reactivated. Benefits for Enrollees will resume as follows:

- If coverage is reactivated in the same Contract Year, coverage will resume as if the Eligible Employee was never gone.
- If coverage is reactivated in a different Contract Year, any Out-of-Pocket Maximum applicable to Your Benefits will start over.
- If the Eligible Employee is rehired within the same Contract Year, coverage will resume as if the Eligible Employee was never gone.

*Coverage for Enrollees is not affected if the Eligible Employee takes a leave of absence allowed under the Family & Medical Leave Act of 1993 or other applicable state or federal law. If the Eligible Employee is currently paying any part of the Premium, they may choose to continue coverage. If the Eligible Employee does not continue coverage during the leave, they can resume coverage for Enrollees on their return to active work as if no interruption occurred.

Important: The Family & Medical Leave Act of 1993 does not apply to all companies, only those that meet certain size guidelines. Contact Your Human Resources Department for complete information.

Continued Coverage Under USERRA

As required under the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA"), if the Eligible Employee is covered by the Contract on the date their USERRA leave of absence begins, dental coverage for the Eligible Employee and any covered dependents may continue. Continuation of coverage under USERRA may not extend beyond the earlier of:

- 24 months, beginning on the date the leave of absence begins; or
- the date the Primary Enrollee fails to return to work within the time required by USERRA.

For USERRA leave that extends beyond 31 days, the Premium for continuation of coverage will be the same as for COBRA coverage.

Continuation of Coverage Under COBRA

COBRA (the "Consolidated Omnibus Budget Reconciliation Act of 1985") provides a way for the Eligible Employee who loses employer-sponsored group health plan coverage to continue coverage for a period of time. COBRA does not apply to all companies, only those that meet certain size guidelines. Contact Your Human Resources Department for complete information.

We do not assume any of the obligations required by COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA).

Continuation of Coverage Under Cal-COBRA

Cal-COBRA (the "California Continuation Benefits Replacement Act") provides a way for You and Your Dependent Enrollees who lose employer-sponsored group health coverage ("Qualified Beneficiary") to continue coverage for a period of time. We agree to provide the Benefits to Enrollees who elect continued coverage pursuant to this section provided:

- continuation of coverage is required to be offered under Cal-COBRA;
- Contractholder notifies Us in writing of any Employee who has a qualifying event within 30 days of the qualifying event;
- Contractholder notifies Us in writing of any Qualified Beneficiaries currently receiving continuation of coverage from a previous plan;
- Contractholder notifies Qualified Beneficiaries currently receiving continuation coverage under another plan, of the Qualified Beneficiary's ability to continue coverage under Our new group benefit plan for the balance of the period the Qualified Beneficiary is eligible for continuation coverage. This notice will be provided either 30 days prior to the termination or when all enrolled Employees are notified, whichever is later;
- Contractholder notifies the Qualified Beneficiary of the ability to elect coverage under the Contractholder's new dental plan, if Contractholder terminates Contract and replaces Us with another dental plan. Said notice will be provided the later of 30 days prior to termination of Our coverage or when the Enrollees are notified;
- Qualified Beneficiary requests the continuation of coverage within the time frame allowed;

- We receive the required Premium for the continued coverage; and
- the Contract stays in force.

We do not assume any of the obligations required by Cal-COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under Cal-COBRA.

OVERVIEW OF DENTAL BENEFITS

This section provides information that will give You a better understanding of how this Plan works and how to make it work best for You.

What is the DeltaCare USA Plan?

The DeltaCare USA Plan provides Pediatric Benefits and Adult Benefits through a convenient network of Contract Dentists using the DeltaCare USA Network within the Delta Dental Service Area in the state of California. The DeltaCare USA Network is comprised of established dental professionals who are screened to ensure that Our standards of quality, access and safety are maintained. When You visit Your assigned Contract Dentist, You pay only the applicable Copayment(s) for Benefits. There are no deductibles, lifetime maximums or claim forms.

Benefits, Limitations and Exclusions

The DeltaCare USA Plan provides the Benefits described in the Schedules attached to this EOC. Except for Emergency Dental Services, Urgent Dental Services and authorized Specialist Services, Benefits are only available in the state of California. Services are performed as deemed appropriate by Your assigned Contract Dentist.

Copayments and Other Charges

You are required to pay any Copayments listed in *Schedule A* attached to this EOC. Copayments are paid directly to the DeltaCare USA Dentist who provides treatment.

In the event that We fail to pay a DeltaCare USA Dentist, You will not be liable to that DeltaCare USA Dentist for any sums owed by Us. By statute, the DeltaCare USA Dentist agreement contains a provision prohibiting a DeltaCare USA Dentist from charging an Enrollee for any sums owed by Us. Except for Emergency Dental Services, Urgent Dental Services and authorized Specialist Services, if You receive treatment from an Out-of-Network Dentist and We fail to pay that Out-of-Network Dentist, You may be liable to that Out-of-Network Dentist for the cost of services received. For further clarification, refer to the "Emergency Dental Services," "Urgent Dental Services" and "Specialist Services" provisions in this EOC.

We recommend keeping a record of payment for Pediatric Benefits. However, You may request from Us anytime an up-to-date accrual balance toward Your OOPM. If You would like to request this accrual information, please call Us at **888-282-8528**. We will mail it to the address on file unless You elect to receive it electronically.

Non-Covered Services

IMPORTANT: If You opt to receive dental services that are not covered services under this Plan, a Dentist may charge You their usual and customary rate for those services. Prior to providing You with dental services that are not a covered Benefit, the Dentist should provide You with a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If You would like more information about Your dental coverage options, You may call Customer Care at **888-282-8528**. To fully understand Your coverage, You should carefully review this EOC.

Coordination of Benefits

We coordinate the Benefits under this EOC with Your benefits covered under any other group or pre-paid plan or insurance policy designed to fully integrate with other plans. If this Plan is

the "primary" plan, We will not reduce Benefits, but if this Plan is the "secondary" plan, We determine Benefits after those of the primary plan and will pay the lesser of the amount that We would pay in the absence of any other dental benefit coverage or the Enrollee's total out-of-pocket cost under the primary plan for Benefits covered under this EOC.

How do We determine which Plan is the "primary" plan?

(1) The plan covering the Enrollee as an employee is primary over a plan covering the Enrollee as a dependent.

(2) The plan covering the Enrollee as an employee is primary over a plan covering the insured person as a dependent; except that if the insured person is also a Medicare beneficiary and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:

a) secondary to the plan covering the insured person as a dependent; and

b) primary to the plan covering the insured person as other than a dependent (e.g. a retired employee), then the benefits of the plan covering the insured person as a dependent are determined before those of the plan covering that insured person as other than a dependent.

(3) Except as stated in paragraph (4), when this plan and another plan cover the same child as a dependent of different persons, called parents:

a) the benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but

b) if both parents have the same birthday, the benefits of the plan covering one parent longer are determined before those of the plan covering the other parent for a shorter period of time.

c) However, if the other plan does not have the birthday rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan determines the order of benefits.

(4) In the case of a dependent child of legally separated or divorced parents, the plan covering the Enrollee as a dependent of the parent with legal custody or as a dependent of the custodial parent's spouse (i.e. step- parent) will be primary over the plan covering the Enrollee as a dependent of the parent without legal custody. If there is a court decree establishing financial responsibility for the health care expenses with respect to the child, the benefits of a plan covering the child as a dependent of the parent with such financial responsibility will be determined before the benefits of any other policy covering the child as a dependent child.

(5) If the specific terms of a court decree state that the parents will share joint custody without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in paragraph (3).

(6) The benefits of a plan covering an insured person as an employee who is neither laid-off nor retired are determined before those of a plan covering that insured person as a laid-off or retired employee. The same would hold true if an insured person is a dependent of a person covered as a retiree or an employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule (6) is ignored.

(7) If an insured person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following will be the order of benefit determination.

a) First, the benefits of a plan covering the insured person as an employee or Primary Enrollee (or as that insured person's dependent).

b) Second, the benefits under the continuation coverage.

c) If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this rule (7) is ignored.

(8) If none of the above rules determines the order of benefits, the benefits of the plan covering an employee longer are determined before those of the plan covering that insured person for the shorter term.

(9) When determination cannot be made in accordance with the above for Pediatric Benefits, the benefits of a plan that is a medical plan covering dental as a benefit will be primary to a dental only plan.

Urgent Dental Services

Inside the Delta Dental Service Area

An Urgent Dental Service requires prompt dental attention but it is not an Emergency Dental Condition. If You believe that You may need Urgent Dental Services, You can call Your assigned Contract Dentist during normal business hours or after hours.

Outside the Delta Dental Service Area

If You need Urgent Dental Services due to an unforeseen dental condition or injury, We cover medically necessary dental services when prompt attention is required from an Out-of-Network Dentist if all of the following are true:

- You receive Urgent Dental Services from an Out-of-Network Dentist while temporarily outside the Delta Dental Service Area.
- You believe that Your health would seriously deteriorate if You delayed treatment until You return to the Delta Dental Service Area.

You do not need prior Authorization from Us to receive Urgent Dental Services outside the Delta Dental Service Area. Any Urgent Dental Services You receive from an Out-of-Network Dentist while outside of the Delta Dental Service Area are covered by this Plan if the Benefits would have been covered if You had received them from a Contract Dentist.

We do not cover follow-up care from an Out-of-Network Dentist after You no longer need Urgent Dental Services. To obtain follow-up care from a Dentist, You can call You assigned Contract Dentist. You are responsible for any Copayment(s) for Urgent Dental Services received.

Timely Access to Care

Contract Dentists, Contract Orthodontists and Contract Specialists have agreed waiting times to Enrollees for appointments for care which will never be greater than the following timeframes:

- for emergency care, 24 hours a day, 7 day days a week;
- for any urgent care, 72 hours for appointments consistent with the Enrollee's individual needs;
- for any non-urgent care, 36 business days; and
- for any preventive services, 40 business days.

During non-business hours, You will have access to Your assigned Contract Dentist's answering machine, answering service, cell phone or pager for guidance on what to do and whom to contact for Urgent Dental Services or if You are experiencing an Emergency Dental Condition including while outside the Delta Dental Service Area.

If You call Our Customer Care, a representative will answer Your call within 10 minutes during normal business hours.

Language Assistance Services

We offer qualified interpretation services to limited-English proficient Enrollees, at no cost to the Enrollee, at all points of contact in any modern language, including when the Enrollee is accompanied by a family member or friend who can provide language interpretation services.

If You need language interpretation services, materials translated into Your preferred language or into an alternative format, please call Customer Care at **888-282-8528 (TTY: 711)**. You may also visit the provider directory on Our website which includes self-reported languages by DeltaCare USA Dentists.

Specialist Services

Specialist Services for oral surgery, endodontics, periodontics, orthodontics (if medically necessary) and pediatric dentistry must be: 1) referred by Your assigned Contract Dentist or 2) authorized by Us. You pay the specified Copayment(s). (Refer to the Schedules attached to this EOC.)

We pay claims for all authorized Specialist Services, less any applicable Copayment(s). If You require Specialist Services and a Contract Specialist or Contract Orthodontist is not within 35 miles of Your home address, Your assigned Contract Dentist must obtain prior Authorization from Us to refer You to an Out-of-Network specialist to provide the Specialist Services. Specialist Services performed by an Out-of-Network specialist or Out-of-Network orthodontist that are not authorized by Us will not be covered by this Plan. If the services of a Contract Orthodontist are needed, please refer to the Schedules attached to this EOC to determine the Benefits available to You under this Plan.

A Contract Dentist may provide Specialist Services either personally or through associated Dentists, or technicians or hygienists who may lawfully perform these services. If You are referred to a dental school clinic for Specialist Services, those services may be provided by a Dentist, a dental student, a clinician or a dental instructor.

Claims for Reimbursement

Claims for covered Emergency Dental Services, Urgent Dental Services and authorized Specialist Services should be sent to Us within 90 days of the end of treatment. Valid claims received after the 90-day period will be reviewed if You can show that it was not reasonably possible to submit the claim within that time. All dental claims must be received within one (1) year of the treatment date. The address for dental claims is: Delta Dental Claims Department, P.O. Box 1810, Alpharetta, GA 30023-1810.

Dentist Compensation

A Contract Dentist is compensated by Us through monthly capitation (an amount based on the number of Enrollees assigned to the Contract Dentist), and by Enrollees through required Copayments for treatment received. A Contract Specialist and Contract Orthodontist are compensated by Us through an agreed-upon amount for each covered procedure, less the applicable Copayment(s) paid by the Enrollee. In no event do We pay a Contract Dentist, a Contract Specialist or a Contract Orthodontist any incentive as an inducement to deny, reduce, limit or delay any appropriate treatment.

You may obtain further information concerning Dentist compensation by calling Us at **888-282-8528**.

Processing Policies

The dental care guidelines for this Plan explain to Contract Dentists what services are covered under the Contract. Contract Dentists, Contract Specialists and Contract Orthodontists will use their professional judgment to determine which services are appropriate for the Enrollee. Services performed by a Contract Dentist, Contract Specialist or Contract Orthodontist that fall under the scope of Benefits of this Plan are provided, subject to any applicable

Copayment(s). If a Contract Dentist believes that an Enrollee should seek treatment from a specialist, the Contract Dentist contacts Us to determine if the proposed treatment is a covered Benefit and if it requires treatment by a Contract Specialist. You may call Customer Care at **888-282-8528** for information about this Plan's dental care guidelines.

Teledentistry Services

Teledentistry services are when a Dentist delivers dental services through telehealth or telecommunications to diagnose dental issues, offer dental care advice or determine appropriate dental treatment. It can be a convenient alternative option to an in-person dental appointment.

There are two types of Teledentistry services:

- Synchronous is real-time interaction such as a video call with Your Contract Dentist.
- Asynchronous is when a video or photo of Your dental issue is sent to Your Contract Dentist and a reply is sent later.

We cover Teledentistry services at the diagnostic oral evaluation cost share amount shown in *Schedule A* subject to the limitations and exclusions in *Schedule B*. A Teledentistry appointment is covered on the same basis and to the same extent that the Benefit is covered through in-person diagnosis, consultation or treatment and is inclusive in the overall patient management care and not a separately payable service.

Please note that not all Contract Dentists offer Teledentistry services and that not all dental conditions can be treated through Teledentistry visits. We recommend contacting Your Contract Dentist and Delta Dental Customer Care for additional information.

If You are experiencing a life-threatening emergency, immediately call **911**.

Second Opinion

You may request a second opinion if You disagree with or question the diagnosis and/or treatment plan determination made by Your Contract Dentist. We may also request that You obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of Benefits.

Second opinions will be performed by a licensed Dentist in a timely manner, appropriate to the nature of Your condition. Requests involving cases of imminent and serious health threat to Your health including, but not limited to, the potential loss of life, limb or other major bodily function or lack of timeliness that would be detrimental to Your ability to regain maximum function, the second opinion will be expedited (Authorization approved or denied within 72 hours of receipt of the request, whenever possible). For assistance or additional information regarding the procedures and timeframes for second opinion Authorizations, call Customer Care at **888-282-8528** or write to Us.

Second opinions will be provided at another Contract Dentist facility, unless otherwise authorized by Us. We will authorize a second opinion by an Out-of-Network Dentist if an appropriately qualified Contract Dentist is not available. We will only pay for a second opinion that We have approved or authorized. You will be sent a written notification if We decide not to authorize a second opinion. If You disagree with this determination, You may file a grievance with Us or with the DMHC. Refer to the "Enrollee Claims Complaint Procedure" section below for more information.

Special Health Care Needs

If You believe You have a Special Health Care Need, You should call Customer Care at **888-282-8528 (TTY: 711)**. We will confirm that a Special Health Care Need exists and what arrangements can be made to assist You in obtaining such Benefits. We will not be responsible for the failure of any Contract Dentist to comply with any law or regulation concerning structural office requirements that apply to a DeltaCare USA Dentist treating Enrollees with Special Health Care Needs.

Facility Accessibility

Many dental facilities provide Us with information about special features of their offices, including accessibility information for patients with mobility impairments. To obtain information regarding dental facility accessibility, call Customer Care at **888-282-8528** or visit Our website at **deltadentalins.com**.

ENROLLEE CLAIMS COMPLAINT PROCEDURE

We, or Our Administrator, will notify You if any dental services or claims are denied, in whole or in part, stating the specific reason(s) for the denial. If You have a complaint regarding eligibility, the denial of dental services or Our claims, policies, procedures or operations or the quality of dental services performed by a Contract Dentist, You may call Customer Care at **888-282-8528 (TTY: 711)**, complete and submit a **DeltaCare USA Enrollee Grievance Form** online or mail Your grievance to:

Delta Dental of California
P.O. Box 1860
Alpharetta, GA 30023-1860

Written communication must include: 1) the patient's name, 2) the Enrollee's address, telephone number and ID number and 3) the Contract Dentist's name and facility location.

"Grievance" means a written or oral expression of dissatisfaction regarding the plan and/or provider, including quality of care concerns, and includes a complaint, dispute, request for reconsideration or appeal made by an Enrollee or an Enrollee's representative. Where this Plan is unable to distinguish between a grievance and an inquiry, it will be considered a grievance.

"Complaint" is the same as "grievance."

"Complainant" is the same as "grievant" and means the person who filed the grievance including You, Your representative or other individual with authority to act on Your behalf.

Within five (5) calendar days of the receipt of any complaint, a quality management coordinator will forward to You a written acknowledgment of the complaint which will include the date of receipt and plan contact information. Certain complaints may require that You be referred to a Dentist for clinical evaluation of the dental services provided. We will forward to You a determination, in writing, within 30 calendar days of Our receipt of Your complaint.

Our grievance system ensures all plan Enrollees have access to and can fully participate in Our grievance process by providing assistance for those with limited-English proficiency or with visual or other communicative impairments. Such assistance includes, but is not limited to, translations of grievance procedures, forms and plan responses to grievances as well as access to interpreters, telephone relay systems and other devices that aid disabled individuals to communicate. If You are in need of these services and/or have questions about Our grievance process, please call Customer Care at **888-282-8528 (TTY: 711)** and/or visit Our website at **deltadentalins.com** to complete and submit a **DeltaCare USA Enrollee Grievance Form**.

Our grievance system allows Enrollees to file grievances for at least 180 calendar days following any incident or action that is the subject of an Enrollee's dissatisfaction. We do not discriminate against any Enrollee (including cancellation of the Contract) on the grounds that the complainant filed a grievance.

You may file a complaint with the DMHC after completing Our grievance process or if You have been involved in Our grievance process for more than 30 days. You may seek assistance or file a grievance immediately with the DMHC in cases involving an imminent and serious threat to Your health including, but not limited to, severe pain, potential loss of life, limb or major bodily function. In such case, We will provide You with a written statement on the disposition or pending status of Your grievance no later than three (3) calendar days from the date of Our receipt of Your grievance. You may file a complaint with the DMHC immediately if You are experiencing an Emergency Dental Condition.

Complaints Involving an Adverse Benefit Determination

If the review of a denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of this Plan, We will consult with a Dentist who has appropriate training and experience. If any consulting Dentist is involved in the review, the identity of the consulting Dentist will be available upon request. If You believe that the decision was denied on the grounds that it was not medically necessary, You may contact the DMHC to determine if the decision is eligible for an independent medical review. You will not be discriminated against in any way by Us for filing a grievance.

California law requires that We provide You with the following information:

The CA Department of Managed Health Care is responsible for regulating health care service plans. If You have a grievance against Your health plan, You should first telephone Your health plan at **888-282-8528** and use Your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to You. If You need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by Your health plan, or a grievance that has remained unresolved for more than 30 days, You may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If You are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet Web site **www.dmhc.ca.gov** has complaint forms, IMR application forms and instructions online.

Any TPA providing such services or receiving such information will enter into a separate business associate agreement with Us providing that the TPA meets HIPAA and HITECH requirements for the preservation of protected health information of Enrollees.

SCHEDULE A
Description of Benefits and Copayments
DeltaCare® USA
Family Dental HMO
For Small Businesses

The Benefits shown below are performed as needed and deemed appropriate by the attending Contract Dentist subject to the limitations and exclusions of the DeltaCare USA Plan ("Plan"). **Please refer to Schedule B for further clarification of Benefits. Enrollees should discuss all treatment options with their assigned Contract Dentist prior to services being rendered.**

Text that appears in italics below is specifically intended to clarify the delivery of Benefits under this Plan and is not to be interpreted as Current Dental Terminology ("CDT"), CDT-2023 Procedure Codes, descriptors or nomenclature which is under copyright by the American Dental Association® ("ADA"). The ADA may periodically change CDT codes or definitions. Such updated codes, descriptors and nomenclature may be used to describe these covered procedures in compliance with federal legislation.

Out-of-Pocket Maximum ("OOPM") for Pediatric Enrollees (Under Age 19):

Pediatric Enrollee	**$350.00** each Contract Year
Multiple Pediatric Enrollees	**$700.00** each Contract Year

OOPM applies only to Essential Health Benefits ("EHB") for Pediatric Enrollee(s). OOPM means the maximum amount of money that a Pediatric Enrollee must pay for Pediatric Benefits under this Plan during a Contract Year. Payment for Premiums and payment for services that are Optional, that are upgraded treatments, or that are not covered under this Contract, will not count toward the OOPM, and payment for such services will continue to apply even after the OOPM is met.

If more than one Pediatric Enrollee is covered on the Contract, the financial obligation for Pediatric Benefits is not more than the OOPM for multiple Pediatric Enrollees. After a Pediatric Enrollee meets their OOPM, they will have no further payment for the remainder of the Contract Year for Pediatric Benefits. Once the amount paid by all Pediatric Enrollee(s) equals the OOPM for multiple Pediatric Enrollees, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the Contract Year for Pediatric Benefits.

Delta Dental recommends that the Pediatric Enrollee or other party responsible for the Pediatric Enrollee keep a record of payment for Pediatric Benefits. If you have any questions regarding your OOPM, please contact Delta Dental's Customer Care at 888-282-8528.

D8000-D8999 XI. ORTHODONTICS - Medically Necessary for Pediatric Enrollees ONLY					
- Orthodontic Services must meet medical necessity as determined by a Contract Dentist. Orthodontic treatment is a Benefit only when medically necessary as evidenced by a severe handicapping malocclusion and when prior Authorization is obtained. Severe handicapping malocclusion is not a cosmetic condition. Teeth must be severely misaligned causing functional problems that compromise oral and/or general health.

- Comprehensive orthodontic treatment procedure (D8080) includes all appliances, adjustments, insertion, removal and post treatment stabilization (retention). The Enrollee must continue to be eligible during active treatment. No additional charge to the Enrollee is permitted from the original treating Contract Orthodontist or dental office who received the comprehensive case fee. A separate fee applies for services provided by a Contract Orthodontist other than the original treating Contract Orthodontist or dental office.

Non-Discrimination Disclosure

Discrimination is Against the Law

We comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. We do not exclude people or treat them differently because of their race, color, national origin, age, disability, or sex.

Coverage for medically necessary health services are available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender. We will not deny or limit coverage to any health service based on the fact that an individual's sex assigned at birth, gender identity, or recorded gender is different from the one to which such health service is ordinarily available. We will not deny or limit coverage for a specific health service related to gender transition if such denial or limitation results in discriminating against a transgender individual.

If you believe that we have failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance electronically online, over the phone with a customer service representative, or by mail.

ENROLLEE NOTICES

Federal and state laws require enrollees to be notified on a periodic basis about enrollee rights and privacy practices. Below is a summary of the notices that are available under the legal or privacy section of our webpage. To access the most current version and the full text of each notice, please visit our website at deltadentalins.com.

Federal Notices:

- **HIPAA Notice of Privacy Practices (NPP):** Federal regulations require insurance plans to share information about the company's privacy practices. This is called a "Notice of Privacy Practices (NPP)" and should be read when an individual first becomes an enrollee and reviewed at least every three years thereafter.

- **Gramm-Leach-Bliley (GLB):** Financial institutions and insurance companies must describe how demographic and financial information is collected and shared. California requires a state specific notice called the California Financial Privacy Notice, which is described below under the State Notices section.

- **Notice of Non-Discrimination:** We comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. If you believe we have failed to provide these services or discriminated in another way on the basis of race, color,

national origin, age, disability, or sex, you can file a grievance electronically online, over the phone with a customer service representative, or by mail.

- **Language Assistance Notice and Survey:** We provide phone interpretation to callers who do not speak English. In California, we will also provide, on request, a translated copy of certain vital documents in either Spanish or Chinese. In Maryland and Washington DC, enrollees may receive grievance materials in Spanish or Chinese.

State Notices:

- **CA Financial Privacy Notice:** This notice to Californians describes our demographic and financial information collection and sharing practices. It is similar to the Gramm-Leach-Bliley (GLB) notice described above.

- **CA Grievance Process:** This notice describes our procedure for processing and resolving enrollee grievances and gives the address and phone number to make a complaint. Californians are encouraged to read this notice when they first enroll and annually thereafter.
- **CA Timely Access to Care:** California law requires health plans to provide timely access to care. This law sets limits on how long enrollees must wait to get appointments and telephone assistance.

- **CA Tissue and Organ Donations:** This notice informs subscribers of the societal benefits of organ donation and the methods they can use to become organ and/or tissue donors. California regulations require every health plan to provide this information upon enrollment and annually thereafter.

- **CA Annual Deductible and OOP Max Accrual Balances:** California law requires health plans to provide enrollees with up-to-date accrual balances towards their annual deductible and out-of-pocket maximum for every month benefits were used until the accrual balances are met. Enrollees have the right to request their most up-to-date accrual balance from the health plan at any time.
- **CA Request Confidential Communications:** This notice informs subscribers of methods of contacting the plan when there is a need or desire to provide and alternative address to received protected health information. Users may also choose to use the "Request for Confidential Communication" form when submitting such request.
